Finishing Options:

- Can be ordered with any choice of standard laminate offerings or Veneer. See "Finishing Options" for more information.
- Can be made with available Shoto Corporation edge style offerings (restrictions may apply)
- See Shoto Corporation's edge styles for more details

Options & Accessories:

Power Options

Custom power modules available (See *Shoto Corporation Accessories for more information*). If customer is supplying their own power module, Shoto can manufacture top with appropriate cutout. Proper cutout dimensions and applicable make, model, and part numbers must be provided by the customer.

3" Recessed Base

Overall height will include 3" base. Base will be black laminate unless otherwise specified on order. Polished chrome or brass available at an additional charge.

Contrasting Colors

Contrasting colors available. Supply drawing showing contrasting laminate surfaces along with choices of laminate.

Wood Edge Top

Wood edge top available in two styles, beveled or half bullnose, both with standard reveal. Specify style and wood finish when ordering (see "Wood Stains" for detail).

Solid Surface Top

1/2" thick top with eased edge. Overall height will include top.
