Heights:

Standard overall height is 27-3/4" with adjustable glides. Contact factory regarding additional heights

Finishes:

Laminate:

Standard plastic laminate of your choice. Refer to "Finishing Options"- "Laminate" for details. When ordering wood grain laminate, grain will run vertically, unless otherwise specified. Some laminates will not conform to a radius. Contact factory before ordering.

Veneer:

See "Finishing Options" – "Wood Stains" and "Wood Species" for details. Contact factory for availability.

Assembly

Tops of panels are recessed for a flush fit of mounting brackets. All hardware and screws are provided for installation. Tops will be predrilled for Shoto bases. For special base location, please specify. Cross panel bases interlock at the center.
